CAREER OBJECTIVE

Motivated MCA student with a strong academic background and hands-on experience in programming and web technologies. Strong problem-solving abilities and a passion for continuous learning, with a focus on staying current with industry trends to contribute effectively to innovative projects and teams.

EDUCATION

Master of Computer Applications (MCA) — Pursuing

Dayananda Sagar Academy of Technology and Management, Udayapura, Bengaluru

Bachelor of Computer Applications (BCA) — CGPA: 9.16/10

Basaveshwar Science College, Bagalkote (2022 - 2025)

TECHNICAL SKILLS

- **Programming Languages:** C, Java, JavaScript
- **Advanced Java:** Collections Framework (HashMap, HashSet, ArrayList, LinkedList), OOP, Exception Handling, Multithreading
- **Frontend Development:** HTML, CSS, JavaScript, React.js
- **Backend Development:** Node.js, Express.js, Spring Boot
- **Database Systems:** SQL, MongoDB
- **Tools:** VS Code, IntelliJ IDEA, GitHub

PROJECTS

AI College Complaint Redressal System

[Live Demo](#) | [GitHub](#)

- Built a system where students raise complaints and AI automatically assigns the task to the concerned staff, removing the need for manual admin assignment
- AI auto-generates the complaint category and priority level to speed up resolution
- Automated email notifications sent when a complaint is raised, resolved, or left pending
- Added complaint photo upload (e.g., faulty classroom equipment) for clearer reporting
- Users rate resolved complaints; AI performs sentiment analysis on feedback (positive/negative/neutral)
- **Technologies:** React.js, Node.js, Express.js, MySQL, AI/NLP

AI-Powered Data Visualization Dashboard

[GitHub](#)

- Built a dashboard that accepts large CSV dataset uploads and automatically parses and cleans the data for analysis
- AI analyzes the uploaded dataset and recommends the most suitable chart types to visualize it
- Generates interactive charts and graphs dynamically based on the dataset's structure and trends
- Provides a clean, user-friendly interface for non-technical users to explore data insights without writing queries
- **Technologies:** Java, Spring Boot, AI/Data Analysis, CSV Processing

INTERNSHIP / EXPERIENCE

Web Development Intern — Infokshetra Technologies, Bagalkot

Feb 2025 - Apr 2025

- Gained hands-on experience through academic and mini projects
- Built a strong practical understanding of the MERN stack

SOFT SKILLS

Problem Solving • Communication • Quick Learner • Time Management • Teamwork

CERTIFICATIONS / PREPARATION

- MERN Stack Certification
- Java — Infosys Springboard
- HTML — Infosys Springboard
- CSS — Infosys Springboard
- SAP Certification

ACHIEVEMENTS & ACTIVITIES

- Awarded "Student of the Year" by the BCA Department for academic excellence and extracurricular contributions
- Achieved 9.16 CGPA in BCA with consistent academic performance
- Completed multiple academic and real-world development projects across Java and MERN stack technologies
